

Sponsor a Camper Project

Date: June 25 - 30, 2017

Event: Youth Leadership Development Camp

Sponsored by: **The Members of the Central States Troopers Coalition of Louisiana**

Since August 11, 2000, the Members of the **Central States Troopers Coalition** have contributed their time and effort to facilitate the Youth Leadership Development Camp, which has served over five hundred youth. With a minimal amount of outside donations, the Troopers have managed to provide life-long lessons for attendees of this residential camp. Now the CSTC Membership is challenging individuals, social and riding clubs to participate in their "Sponsor a Camper Project." In exchange, CSTC of Louisiana will work in partnership with participating sponsors and provide expert advice for clubs who want to start their own camps in the future. Let's stop talking about our youth being lost and join the **Central States Troopers Coalition of Louisiana** in making a difference in their lives.
